## Members' Joining Pack Season 2017/18

### Additional information for season 2017/18

**Membership fees** – The full rate will be £80 for the season. Memberships must be paid by the end of August. Lower rates of £30 are being offered to under 21's. Full details of the membership fees policy are available at <http://mertonfc.co.uk/membership/>

**Discount** – If an existing member from last season introduces a completely new member the two memberships will be charged at £100 for the two. (three will cost £150 and so on) In other words, £50 each.

**Club membership** – Only players who are paid members of the club will be available for selection for official league and cup games. The first official games start on 9<sup>th</sup> September 2017. We will be fielding seven teams, all of whom will be competing in various divisions within the Southern Amateur League (SAL). Each team will also be entered into the Amateur Football Alliance (AFA) Cup.

**Discipline** – Season 2016/17 was slightly better than the previous season, however there is still room for improvement. Full details of the disciplinary code are available at <http://mertonfc.co.uk/disciplinary/>

**Selection policy** – The SAL states that “in all matches in which it competes, each Club shall play its strongest team in its 1st XI, its second strongest team in its 2nd XI and so on” and that “clubs are expected to hold regular selection meetings or a comparable electronic selection programme to select sides of relative sectional strength”. This rule is the guiding principle of the selection policy of Merton Football Club. The details and structure of the policy are available at <http://mertonfc.co.uk/merton-fc-team-selection-policy/>

**Hospitality and respect** – Merton Football Club aims to enhance its status as a hospitable and friendly club and as such all players are expected to go into the bar after games and socialise with your team mates, the opposition and the referee. This helps engender team spirit, which is developed as much off the pitch as it is on it. In particular, every player has a responsibility to make new players feel welcome to the Club. A meal is provided to home and away teams after league and cup games. All players need to be mindful that most pitches that we play on are situated within public areas and therefore we must ensure that we keep dissent and swearing to an absolute minimum so as to not offend passers-by. We must also ensure that we show respect to the other occupants / neighbours of the playing area / clubhouse, such as the local Bowls Club, Council staff and the houses on the perimeter of the pitches.

Team management – contact details will be posted on the website
